Here’s some information that you might find helpful before you start work on the lesson.

Fireball Mail is in the key of G major.

There are three different tempos for Fireball Mail – Learning, Slow Jam and Performance. The tempos for the different versions are:

Learning Tempo:	50bpm
Slow Jam Tempo:	76bpm
Performance Tempo:	126bpm

The Learning Tempo has three mp3s (except for bass, which has two) – the easier and advanced breaks with the band, both breaks with a metronome click, and a version without your instrument so that you can practice playing along.

The Slow Jam Tempo has two versions – with and without your instrument, and the easier and advanced breaks are included in the same mp3.

The Performance Tempo has three mp3s – with and without your instrument and an excerpt showing different styles of backup; the bass has a rhythm track only version.
