

## LESSON NOTES FOR “GROUND SPEED”

Music by Earl Scruggs

Published by APRS, BMI

Here’s some information that you might find helpful before you start work on the lesson.

Ground Speed is in the key of G major.

There are three different tempos for Ground Speed – Learning, Slow Jam and Performance. The tempos for the different versions are:

Learning Tempo: 50bpm

Slow Jam Tempo: 72bpm

Performance Tempo: 120bpm

The Learning Tempo has three mp3s (except for bass). The easier and advanced breaks come back to back, with the band, solo with a metronome click, and a version without your instrument so that you can practice playing along.

The Slow Jam tempo has two versions – with and without your instrument. The easier and advanced breaks are included in the single mp3.

The Performance tempo has three versions – with and without your instrument, and an excerpt showing different styles of backup; the bass has a rhythm track only version.
