(Public Domain)

Here’s some information that you might find helpful before you start work on the lesson.

St Anne’s Reel is in the key of D major.

Banjo, Dobro and Guitar will need a capo on the 2nd fret.

There are three different tempos for St Anne’s Reel – Learning, Slow Jam and Performance. The tempos for the different versions are:

Learning Tempo:	48bpm
Slow Jam Tempo:	70bpm
Performance Tempo:	104bpm

The Learning Tempo has three mp3s (except for bass, which has two) – the easier and advanced breaks back to back with the band, solo with a metronome click, and a version without your instrument so that you can practice playing along.

The Slow Jam Tempo has two versions – with and without your instrument, and the easier and advanced breaks are included in the same mp3.

The Performance Tempo has three mp3s – with and without your instrument and an excerpt showing different styles of backup; the bass has a rhythm track only version.
