Here’s some information that you might find helpful before you start work on the lesson.

Wheel Hoss is in the key of G major.

There are three different tempos for Wheel Hoss – Learning, Slow Jam and Performance. The tempos for the different versions are:

Learning Tempo:	50bpm
Slow Jam Tempo:	86bpm
Performance Tempo:	126bpm

There are five mp3s at the Learning tempo (except for bass) – the easier and advanced breaks, with the band, solo with a metronome click, and a version without your instrument so that you can practice playing along.

The Slow Jam tempo has two versions – with and without your instrument. The easier and advanced breaks are included in the single mp3.

The Performance tempo has three versions – with and without your instrument, and an excerpt showing different styles of backup; the bass has a rhythm track only version.

For Fiddle players there are three extra mp3s at the Learning Tempo, and one extra mp3 at the Slow Jam tempo, demonstrating the twin fiddle part.
